

Color superstars

Lexmark wins 2017 Color Printer/MFP Line of the Year from Buyers Lab.

“Lexmark devices gave a superb performance across its entire color line. From small workgroups to large enterprise environments, Lexmark’s impressive portfolio of color printers and MFPs has you covered.”

Marlene Orr

BLI Director

Office Equipment Product Analysis

Lexmark International Inc. was chosen by BLI analysts as the winner of the 2017 Color Printer/MFP Line of the Year award for its:

- ▶ Exceptional reliability, simple maintenance and high-yield supplies for minimal downtime
- ▶ Intuitive design, thanks to easy-to-navigate touch screen control panels
- ▶ Consistently outstanding color output
- ▶ Strong value proposition across its line, offering standout performances and feature sets for a low-to-competitive total cost of ownership
